"Yes, it's absolutely true. You can actually replace your old (and probably very inefficient) furnace and air conditioner as a package for \$2,220 less than you would have to normally pay. So, if you are thinking about replacing your system in the next 6 months...be one of only a select few homeowners fortunate enough to take advantage of this Spring offer!

Your Peace of Mind

Once you schedule your no-obligation home comfort survey one of our advisors will visit your home to:

- Calculate the size system your home needs.
- Explain the Gallagher's Stand-Up Guy install process.
- Let you know about our best in the industry Guarantees and Warranties.
- Show you how our special financing* works with 0% down and low monthly payments.

Schedule Today!

Call 530-345-6440 or 916-231-5686 and we will set up an appointment for your FREE comfort survey.

Here's to a bright and renewing Spring,

- Tim Gallagher

P.S. Don't Forget, we only have a limited supply of these systems, when they're gone this offer will end.

*Offer cannot be combined with any other offers. Offer only good if system is installed by Gallagher's Plumbing Heating and Air. Size of system is determined by advisor's in-home calculations and comfort survey. Offer based on a 2-ton split 80% AFUE basic system, other sizes are available for additional cost. Weekly Financing based on \$500 a year in utility savings, OAC, and a 1.0239% payment factor on a 2-ton split 80% AFUE basic system. \$2,220 amount based on furnace equipment only. Discount not to exceed \$2,220.
